Ladies and Gentlemen,

It gives us much pleasure to send Your Excellency this brochure. We are a leading producer and exporter in miscellaneous commodities. We import and export vegetables and fresh fruits to many countries all over the world.

We manufacture and produce Egyptian natural bath luffa (HOURS™) in addition to the "body luffa products for natural boy massage and exfoliating". They are provided with various shapes and uses. Our products are processed according to the highest international standards of health and environment in addition to quality standards. They are produced with 100% natural materials and certified according to the EU Organic Regulation 2092/1991 for cultivation and processing.

The policy of commitment of quality service and professional approach has made it possible for us to achieve a rapid growth in a short span of time. We have been always seeking to meet our dear customers` needs in both directions Quality Wise & Quantity Wise.

Currently, we are trying to increase our share in the international market. We have been exporting our products to Canada, Germany, France, Slovakia, Italy, Greece, England and Paraguay and to most of the North African and Gulf countries for over 7 years till now.
