

Who We Are

comprised of a team of the best experts in the field of Agri-busiess ,2016 Ideal fruitful is established early We have a long successful family history in agricultural production, and we are dedicated to export highest quality fresh produce from Egypt. Ideal fruitful has its own pack-house, and has all the experience and mastering the entire process of both pre and post harvest, which has strengthened our position to be on a very competitive level

We are closely connected and heavily investing in the whole supply chain, dedicating the related experts in each step of the process, from cultivation, to harvesting, sorting and packing, reaching with our products to the shipping vessels, keeping a close eye on maintaining the highest levels of quality control

Ideal Fruitful acquired Global Gap, BRC

The secret of our export success is being able to supply different client categories with a wide product range, each with their own specs, packaging and requirements

OUR VISION

Is to be a market leader in agribusiness supply from Egypt, a one-stop shop providing a wide range of solutions for sustainable business partnerships, maintaining highest levels of product quality.

OUR MISSION

We aspire to offer highest quality products and packaging for the most competitive prices. We believe that achieving these goals would only come from our continuous training for the staff, as customer satisfaction is our main goal, and word of mouth is the reason of our success from inception. We are establishing interactive channels between our clients and our experts to achieve the best customer support.
