

QUEEN FRESH PRODUCE

ABOUT US

Queen was established in year 2000 as one of the growers and exporters of the Egyptian fresh fruits & vegetables.

Queen has an extensive experience in growing and exporting wide variety of fresh vegetables and fruits. Working to improve both yield and quality, select and pack only the finest fresh produce and export to you.

Queen, The company aspires to achieve long lasting relationship with its clients based on strong corporate ethics. Our determination encourages us to maintain high quality and strict delivery schedules to successfully cater our clients' specific requirements.

For the past years we supply to the commercial food industry and have gained the confidence of Egyptian's product buyers. Our experience and longevity in the international arena have made us experts in providing food products to importers, distributors and retailers throughout the world including the Europe, Fareast and the Middle East. It is the combination of experience and resource that makes Queen fresh produce the leading exporter of Egyptian fresh fruits and vegetables.

ABOUT USE

Our products are graded to meet international standards, are pure and free from added pesticides

At Queen we pride ourselves on:

- High quality and freshness of produce,
- Competitive prices,
- Fast and efficient ordering services.

Our Team:

Sales, research staff are well trained to guarantee the best possible food safety to offer you the very best of nature.

Clients:

We strive for complete customer satisfaction through timely delivery, right quality and competitive prices of the products.

Our Vision:

We endeavour to offer the highest level of satisfaction to our esteemed clients via our superior quality products. We combine nature, advanced equipment and scientific management to a new high level.

Our farms are Global Gab certified
