

Enriching lives
Through Better Personal Care

EVA
COSMETICS

Our Legacy

Eva Cosmetics Launched in 1972 and its part of the Armanious group of companies. This group currently consists of 12 companies that excel in a very diversified set of fields from Agriculture to chemical and machinery calibration.

Eva Cosmetics offer a wide range of hair and skin solutions carefully balancing technology and the power of natural ingredients.

International Markets

Strategically located in Egypt, this position along with the resources of the Armanious Group has allowed Eva to go beyond its home market and excel on a global level by exporting to over 25 countries and launching offices and factories in numerous countries. Eva's culture of innovation and strenuous quality control standards has earned it an international reputation of excellence and credibility.

The Manufacturing facility

The Eva Cosmetics Manufacturing Facility occupies a 35,000m² area of land. Its a state of the art facility that's equipped with the most cutting edge technology that allows work on a vast range of manufacturing and filling capabilities.

The facility offers toll manufacturing services for a growing number of multinational clients.

Our Commitment to Positive Impact

We have many initiatives that focus on caring for our people, the environment and our community

OUR COMMUNITY
& ENVIRONMENT

OUR PEOPLE
& Women Empowerment

Eva Foundation for Social Services is an entity founded solely with the objective of providing social care and services to the community. We have created sustainable programs that provide free medical check-ups, illiteracy classes and more. We have a lengthy record of environmental responsibility and compliance with environmental regulations and best practices. Our facility is equipped with sophisticated wastewater treatment stations to protect our natural ecosystems. We are **ISO 14001:2015** certified which celebrates our Environmental Protection Policy.

Eva Cosmetics has always been a proud supporter of women. Over the years we've made it our mission to enrich their lives by launching leadership programs and supporting women in managerial roles. Eva Cosmetics has launched an initiative that is dedicated to creating programs that tackle women's daily challenges, and give them the support they need to reach their full potential. We own and sponsor many nurseries both on location and off. Providing parents with a safe, easy and educational option of daycare. Our facility is **ISO OHSAS 18001/2007** certified.
