

Global Confidence in our Quality

A WORD FROM OUR CHAIRMAN

Dear Valued Partner, Customer and Consumer,
Another year has passed with far reaching product innovations, category enhancements and business expansions. This year, it is with great pleasure to take you through Faragalla Group's 45-year milestone and introduce to you our latest product ranges.

As pioneers in the food industry since 1973, Faragalla Group continues to capitalize on the fast-moving consumer goods (FMCG) market with years of experience and knowledge, driven by three core principles:

- **Empowering a customer centric culture** that serves our customers' needs with constant innovations, leading edge strategies and topnotch operations.
- **Emerging with technical leaders** who care to develop and exceed our customers' expectations using certified technical power and almost five decades of experience.
- **Nurturing strategic and long lasting partnerships** to maximize on Faragalla Group's global presence.

With unparalleled expertise and unlimited drive, we have accomplished mass-scale productions within the food industry to more than 100 countries in 6 continents during a span of 20 years.

Last year, we are proud to have achieved momentous progress in launching our biggest Tomato Paste (tin/can) factory, along with new production lines for small serving- sized jam portions.

This year in 2018, we plan to make bigger steps for Faragalla Group. By pairing our partners with our new brand categories and enhanced product lines, we aim to boost long lasting benefits and extend our leadership in the food industry worldwide.

Our Vision:

To be and be recognized as the leading company in the food industry in Egypt and the Middle East.

Our Mission:

To make every day quality food affordable to as many families as possible.

Whether you are a consumer, a customer or a partner, I look forward to sharing with you the Faragalla brand experience.

Sincerely,

Farag Amer

Faragalla Group Chairman

ABOUT FARGALLA GROUP

“Producing mass-scale product categories to 100 countries in 6 continents during the span of 20 years.”

Faragalla Group is one of the leading and top diversified food companies in the Middle East. It is also one of Egypt's largest exporting companies, ranked as one of top 5 exporters within consumer packaged goods in Egypt, including the USA, China, Western Europe, the Middle East and Africa; while centralizing its frozen chicken and meat product distributions within the MENA region.

It all started in the Borg El-Arab city in Alexandria, Egypt. For 45 years, the group continued to inspire innovative approaches and consistent productions through its three food processing companies:

- The Egyptian Company for Freezing and Beef Processing
- The Egyptian Food Company
- The Egyptian Company for Food Development

Faragalla Group proudly serves certified products with top international food safety standards and qualities, to cater to various taste buds and household needs.

The group constantly seeks to entertain its customers' cravings through massive production lines. Its 15 factories mark unlimited expansions and high technological edge over its competitors, covering areas that span 500,000 sqm. Beyond numbers, it focuses on producing quality-specific deliveries as an approved supplier and co-manufacturer of various global corporations.

OUR JOURNEY

For almost five decades, Faragalla Group has gained unmatched recognition in the global food industry and beyond, by expanding strong supplying and manufacturing arms across the world.

OUR GLOBAL CERTIFICATES

For lasting decades, Faragalla Group has acquired globally recognized certificates for its 15 factories, including ISO 22000, ISO 9001, ISO 14001 and HACCP as well as BRC, FSSC, Halal and a FDA certification for one of the juice lines. The group also performs yearly audits within the expected code of conduct, policies and procedures, guaranteeing international standards of food quality excellence for customers, consumers and partners alike.

WHY PARTNER WITH FARAGALLA ?

Faragalla Group has a proud heritage that stands out with futuristic visions, quality-specific servicing and superior food productions. We have supplied products, co-manufactured brands and partnered with recognized multinational entities, global nutrition programs and regional businesses, allowing our brand name to become synonymous with consistency, safety and innovation.
