IMPORT & EXPORT

T.I.K.M Group is an Egyptian Company, that has been established in 2015, specialized in exporting Egyptian agricultural crops (IQF- Deep Frozen) to a number of countries around the world.

Our company adopts a policy of exporting seasonal agricultural crops, which means that we can cooperate in more than one product

We carry out the manufacturing and freezing process for the customer according to the international quality specifications and customer's conditions.

We choose our Manufacturers' partners cautiously. We choose the latest industrial technology, starting from machines, floors, walls & everything that is related to Value.

We handle all the Export Process for you, starting from Raw Materials up to end user products.

The factories that we deal with or whom we call success partners have the latest technology. Production lines are the newest in the world.

T.I.K.M Group cares to deliver final shaped products in their natural good taste, after passing all the quality standards' measurements, initially from receiving raw materials, washing, freezing, storage & delivery to our reliable customers.

One of our successful pillars is our focus on reliably meeting our customers' requirements to enhance their satisfaction. It is united with our purpose & strategic direction. This is exactly what we do, starting from raw materials & how it was grown , harvested till it reaches our customers at its final shaped. We apply all quality measures in receiving raw, packaging materials with everything that is related to business. Traceability is always applies, every single thing is coded. Nothing happens without complete monitoring. We have the best qualified people to trust.

Our vision is to have a mutual cooperation together, by increasing the number of our clients & expand our growing activity in USA.
